Pleated Blinds

PLEATED BLINDS – ambience for your home

Create a peaceful haven and get a little closer to nature – Cosiflor pleated blinds are ideal for this. Not only on account of the calming green colour shades and attractive designs, but also thanks to the size range of max. 230 x 260 cm for freehanging systems.

Dessin 40183, Triangle Perlmutter Color

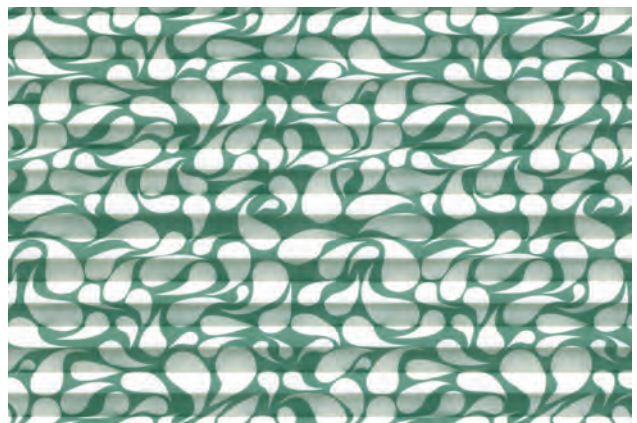

Dessin 40183, Triangle Perlmutter Color

Dessin 40163, Planta Perlmutter Color

No matter what kind of ambience you wish to create – our collection has more than 400 fabric versions to offer in a varied range. Suitable for every requirement: Plain colours, structures and prints, with pearl coating on the back or flame-retardant.

For optimum PRIVACY AND SUN PROTECTION

Dessin 10009, Cara

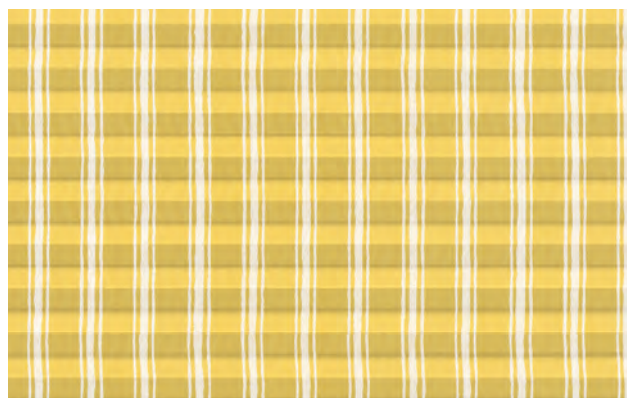

Pre-tensioned Cosiflor pleated blinds are particularly popular. They offer tailor-made solutions for almost all window shapes. Model type VS 2 is extremely variable in operation: whether from top down or bottom up or both operating versions in one system – everything is possible.
